

## Brownies - Rich

½ cup butter, softened

1 cup sugar

4 eggs

1 cup flour

½ tsp salt

1 can Hershey's chocolate syrup (which equals out to a scant 1 ½ cups, in case you buy it by the jug!)

½ - 1 bag chocolate chips (optional)

1 can chocolate frosting (any variety)

Cream butter and sugar, then add eggs, beating until blended. Mix together flour and salt, then add to creamed mixture. Beat in Hershey's syrup. Stir in chocolate chips, if desired (who wouldn't desire a little more chocolate?!).

Grease the bottom of a 9x13 glass dish, then pour in brownie batter and bake at 350\* for approx. 35 minutes. Cool and frost.
