

Cookie - Cream Cheese Cookie Dough

3 ½ cups flour

1 tsp. Baking powder

1 cup margarine or butter

1 8oz. Pkg. Cream cheese

2 cups sugar

1 egg

¼ tsp coconut flavor (optional)

1 tsp vanilla flavor

¼ almond flavor

Mix all ingredients well – chill for a few hours – shape tablespoons of dough into balls. Bake at 350 degree for 8-10 minutes. Place chocolate kisses or M&M Peanut candies in middle of cookie as soon as you remove from oven. Let cool completely so chocolate is solid again before trying to store.
