

Rolls Refrigerator Potato Rolls

M. Benslay

1 & ½ cup warm water

1 pkg dry yeast

2/3 cup sugar (scant)

1 ½ tsp salt

Mix all above together in a bowl

1 cup Mashed potatoes (I use instant)

mix 2/3 cup shortening & 2 eggs

add to above mixture

Mix in 7 to 7 ½ cups flour

Knead until smooth & store in refrigerator until ready to use. Approx 4 hours before using, make into rolls, place in greased pan. (when cold it takes about 4 hours to rise.)

Bake at 400* for 15 –20 min.

I use this all the time as I can mix it up ahead of time and then make them into rolls the day I want to use them
