

## SALAD - PEA AND PEANUT

8 slices of bacon  
1 pkg (10 oz.) frozen petite peas,  
thawed  
4 stalks celery, finely diced  
1 small onion finely diced  
1-1/2 c salted peanuts  
1/2 c mayonnaise or sour cream  
2 T lemon juice  
1/8 to 1/4 t cayenne

About 24 small washed and  
crisped butter or romaine lettuce  
leaves.

Cook bacon. Coarsely crumble and  
set aside. In a bowl, mix together  
peas, celery, onion, peanuts,  
mayonnaise, lemon juice. Add  
cayenne to taste. Spoon mixture  
into a serving bowl and sprinkle  
with bacon: have lettuce alongside.  
Spoon salad into lettuce leaves to  
eat out of hand. Or arrange lettuce  
on salad plates and spoon pea  
mixture onto leaves. Makes 3 or 4  
salad servings.
