

## Turkey - Leftover

Combine in a large bowl: 3 cups shredded turkey meat, one-half of a large can green enchilada sauce, one-half can of cream of mushroom soup, 3 cups shredded jack/cheddar cheese, one large onion (chopped small), little bit of cilantro and mix well.

Warm eight small flour tortillas in the microwave for 30 seconds. Then fill each with mixture, roll up, place in a lasagna pan. Mix remainder of cream of mushroom soup and green enchilada sauce in a small bowl, pour on top of enchiladas. Top with some more cheese and a sprinkle of cilantro. Bake in 350 degree oven for 38 minutes. Serve with a tablespoon of sour cream on top.
